# THE LOWER BAVARIAN GZDN ASSOCIATION

The GZDN is the association of three startup centres in Lower Bavaria. The INN.KUBATOR in Passau, the ITC1 in Deggendorf and the LINK in Landshut offer a great network for you to grow your business. With partners in science, economy, chambers and various associations, we will get you started and connected quickly. In addition, there is a network of mentors and investors. In each centre we offer a wide selection of events, pitches, workshops and coaching to get you on the right track. And of course, you will find a multitude of other young entrepreneurs embarked on the same journey as you are! [www.gzdn.de](http://www.gzdn.de)

# INN.KUBATOR PASSAU STARTUP CENTRE

Passau – the city of the three rivers – lies close by the borders to both, Austria and the Czech Republic. This provides you an easy access to three markets, as well as a picturesque setting in the Bavarian Woods. Passau is the gatekeeper to south-eastern Europe. The city itself offers a high quality of living, combined with low cost of living. The city with its more than 50,000 inhabitants is a great test market for young and innovative products, as it offers a target audience, which is large enough and diverse in its structure, but not as overstrained as elsewhere. **The INN.KUBATOR** collaborates with the University of Passau, its' around 12,000 international students and multiple partnering research centres; as well as the regional companies and hidden champions. Due to the size of the city and the status of **the INN.KUBATOR**, networking goes much faster and the whole startup economy is very flexible and adaptable to your needs. We bring those together who can benefit from each other.

# ENGLISH STARTUP MEETINN

## OUR ENGLISH EVENTS

English  
StartUp  
MeetINN

AT  INN.KUBATOR  
P A S S A U

Every few weeks our friend Hadi Haddad is organizing an English StartUp meetINN at the StartUp centre INN.KUBATOR Passau.

A series of free discussions and networking sessions for entrepreneurs, students of different fields and those who only have ideas and look for partners. As always INN.KUBATOR is a place for you to take part in the future from today. Good news for international students: meetINN is held in English. Hadi and Milad give a short lecture relative to StartUp evaluations, marketing, pricing etc. Entry at meetINN is free.

Come and join us!
